

CSH430BL

431L Hybrid Fridge or Freezer

Features

Frost Free

Maintains the right temperature for more effective food preservation inside and there is no need to manually defrost the freezer.

LED Display with digital Control

The LED digital temperature display and electronic controls ensures the optimum control of the fridge and allows for seamless setting adjustments for different modes.

Reversible Door

The design allows for left or right hand opening. You can adjust the door to what best suits your kitchen.

-32°C Quick Freezing Mode

Quick freezing seals the freshness of the stored items.

R/F Switchable System

Switchable between refrigerator(2 to 8°C) and freezer(-16 to -32°C) by one touch
