

Premium Home Air Purifier ION450

Integrating contemporary Swiss design with the performance of a true HEPA filter, the Ionmax ION450 Premium Home Air Purifier carries out five levels of air purification, generating healthy indoor air quality in areas where particles, allergens, odours, chemicals, bacteria, viruses and other harmful airborne impurities are found.

With an advanced purification system, the ION450 Premium Home Air Purifier is designed to **remove 99% of bacteria and reduce 99% of odours**, leaving you with a cleaner and healthier breathing environment for everyone in your home.
