PRO STYLE CARE

MONPARFUM

SUPER POWERFUL FOR PROFESSIONAL TOUCH-UPS

Powerful

XL Delta Steam Head

The perfect balance of efficiency and precision, with optimal steam diffusion for quick results and a special design for hard-to-reach areas.

Dependable and efficient wrinkle removal

2000W of power comes together with up to 42 g/min continuous steam output for high-efficiency steaming with results you can count on.

Fast steaming

A rapid 45-second heat-up time means your device is ready when you need it, to get you out the door looking your best in no time.

5 steam settings on handle

For maximum convenience and ease-of-use, controls on the handle let you access five steam settings to cover any type of fabric safely and efficiently.

Uniqueness

Exclusive Steam & Press for professional results

Putting double-action wrinkle removal within reach, the exclusive patented Steam & Press vertical support system allows for one-handed steaming that couldn't be easier, to get you looking your best in no time.

Convenient

Removable water tank for ultimate convenience

The generous volume of the 1.3 L removable water tank ensures long steaming sessions and refills that couldn't be easier.

Long-lasting performance

Regular use of the descaling function promotes longer product life, for exceptional steaming results that are built to last.

Refreshes and sanitises

The intense power of steam kills 99.99% of viruses, germs and bacteria, refreshing and removing odours as it steams, for fresh garments and perfect hygiene.

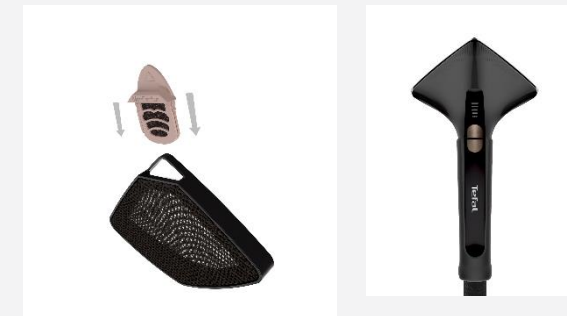

5 smart accessories + MonParfum included

Fabric brush for heavier fabrics, steam bonnet for delicates + MonParfum to steam your favourite fragrance, crease attachment to make easy pleats, lint pad to remove hairs and dust, glove to protect the hand while steaming
