

7kg Condenser dryer with 2 Stars Energy rating, Advanced Sensor Dry, reverse tumbling action, Refresh cycle and extra large reversible door.

RRP AUS \$1,099.00

Product Details

FEATURES

Advanced Sensor Dry	Reversing tumble action	Large Reversible Door	Special programs for easy iron
Special refresh program	Drain kit included Drains excess water so you don't need to empty the water tank manually	Auto Off	No venting required

BENEFITS

Advanced Sensor Dry
Your clothes will be dried perfectly with Advanced Sensor Dry. Humidity sensors are activated three times throughout each cycle to eliminate over drying, which can be harmful to fabrics. So, you enjoy optimal drying accuracy, along with exceptional care and performance.

Large Reversible Door
Everyones laundry is different. Thats why we designed a large reversible door to accommodate those tight spaces and side-by-side installations. You can easily change the direction of the door opening yourself to suit your requirements. Plus, the large door size also allows you to load and unload your dryer with ease.

Refresh Cycle
The refresh cycle uses cool and hot air to refresh clothes that may have been in storage.

Soft Touch Drum
With its raised circular texture, the Soft Touch Drum creates a gentle environment for delicate clothing by minimising prolonged contact clothing makes with the drum.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Dryer Type	Condenser
Capacity (Kg)	7
Wall mount option	no

ENERGY

Energy Star Rating	2
Energy consumption (KWhr/yr)	314

DIMENSIONS

Total height (mm)	850
Total width (mm)	600
Total depth (mm)	540

CONTROLS

Type of controls	electronic rotary,electronic touchscreen
Options available	delicates setting,delay start,buzzer,drying time,auto sensing,timer drying,reverse tumbling action
Type of display	LED
Fabric type selection	cotton,synthetics,delicate
