7 STAR ENERGY RATING

Energy A+++

7 star energy efficient dryer with an A+++ energy rating. Heatpump technology offers an efficient, cost-effective and gentle way to dry clothes.

Q-RATOR

Laundry Assistant

Helps select the best drying cycle for each load and to use your dryer more effectively.

ADVANCED 2-in-1 FILTER

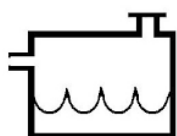

One step cleaning.

Advanced 2-in-1 Filter with a two-layered mesh filter collects lint in one location for easy 1-step cleaning.

WATER LEVEL CHECK

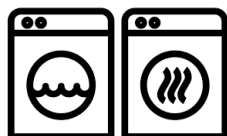

Easy maintenance

A Water Tank Indicator is a simple gauge on the front that shows how much condensed water has been extracted from your clothes. So you can quickly see if the water tank needs emptying before you start another load.

PERFECT MATCH

Ideal Pairing

Pair with matching Samsung QuickDrive washing machine WW85M74FNOR

FREE HOSE ACCESSORY

Auto drain

Free auto drain hose fitting so no need to empty the water tank manually.

OPTIMAL DRY™ SYSTEM

Intelligent Drying

OptimalDry™ System is an intelligent drying system which continuously adjusts the drying time for the best result, while helping to protect clothes from damage.

SUPER SPEED DRY CYCLE

81 min

The Super Speed Dry cycle can dry up to 3Kg in just 81 min while the QuickDry cycle can dry small loads in just 35 min.

SILENT DRY

Easy maintenance

The Silent Dry design has an integrated noise reduction system to help you do your laundry without disturbing neighbours or waking children at night

EASY TROUBLESHOOTING

Smart Check is an error-monitoring system which helps detect and diagnose certain problems and can provide quick and easy troubleshooting via your compatible Smartphone and App¹.

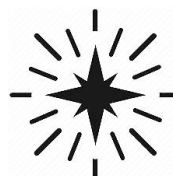

11 Year Parts WARRANTY on AC Motor²

The AC motor is engineered to last and is backed by Samsung's 11-year motor parts warranty.

STYLISH CRYSTAL BLUE DOOR and internal drum light

Full-width crystal blue door, not only looks so stylish but helps make it easier to load and unload clothes. The drum light helps you see inside.

DISCLAIMERS

1. Available on iPhones and Android devices. A network connection is required. ** Service callouts will occasionally be required and may incur extra repair costs.

2. 11 Year Parts Warranty on the Induction Motor. See warranty card for more information.
