

Induction Cooktop, 60cm, 4 Zones with Flexi Zone

Black Glass

A compact cooktop with precise, instant-response and energy efficient induction technology, and a flexi zone.

- Four zones including a flexi zone that can be paired to make a large cook surface
- Immediate heat response and rapid heating for busy lives
- Cool-to-touch for safety, not heating until cookware is placed on top
- Designed to pair with a Haier black or stainless steel wall oven

DIMENSIONS

Height	60 mm
Width	590 mm
Depth	520 mm

FEATURES & BENEFITS

Flexible cooking

When you want to make gravy in a roasting dish or grill on a griddle, simply pair flexi zones to make a large cooking area, bringing even more flexibility to your induction cooktop.

Matching design

The sleek black aesthetic matches with the wider Haier family of appliances, pairing well with a stainless steel or black wall oven.

Rapid heating for busy lives

Your induction cooktop is instant-response and heats rapidly, with precision control and a boost function when you're in a hurry.

Your safety in mind

A 'cool to touch' induction surface only heats when a pot or pan is placed on the surface, making it safer for pets and curious little hands.

Intuitive controls

With simple to use slide controls, and a child lock for safety.

Easy cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, preventing baked-on spills. A quick wipe after use will keep you cooktop looking as good as new.

SPECIFICATIONS

Controls

Family match	Black & Stainless steel wall
Timer	•
Touch and slide controls	•

Performance

Flexible zones	•
Heat settings	9 + Boost
Pause function	•
