## Dimensions

Depth	565mm
Height	598mm
Width	596mm

## Features & Benefits

### Multi-function Flexibility

This built-in oven has nine functions with pre-set temperatures, including Roast, Pizza Bake and Fan Forced, giving you the ability to use a variety of cooking styles.

### Generous Capacity

Designed for multi-shelf cooking, this built-in, 85L total capacity oven is one of the largest on the market. The spacious internal cavity provides ample room to create multiple dishes at once.

### ActiveVent Technology

Our unique ActiveVent technology controls moisture levels while AeroTech™ technology circulates heat evenly - ideal for multi-shelf cooking.

### Fast and Easy Cleaning

Cleaning this built-in oven is quick and easy thanks to the catalytic liners which absorb oil and fat splashes during cooking.

### CoolTouch Door

The CoolTouch door of this built-in oven is safe to touch from the outside. Sturdy, fully extendable shelves slide all the way out, reducing the need for you to reach inside.

### Refined styling

With sophisticated handle styling and black glass finish, our built-in ovens are designed to match the rest of Fisher & Paykel's kitchen appliance family.
