

DUALIT CLASSIC KETTLE 1.7L

PRODUCT SPECIFICATIONS

ENGINEERING EXCELLENCE

The multi-patented Classic Kettle features a ground-breaking replaceable element that lengthens the lifespan considerably, whilst the Whisper Boil™ drastically reduces unwanted boiling noise. The Dualit Classic Kettle is available in a selection of finishes* and is fitted with a superfast 2.3KW element, making for quick boiling time. Two measuring windows with cup level and litre indicators help you to boil only the amount of water required from one cup to 1.7 litres.

KEY FEATURES

Dual Windows

The Dualit Classic Kettle is cleverly designed with two different measuring windows. For avid tea drinkers, one side features a cup level indicator and the other side measures the water in litres.

Patented Whisper Boil™ function

The Classic Kettle is the quietest kettle that Dualit have designed. It has been awarded the Quiet Mark - the international mark of approval from the Noise Abatement Society.

SPECIFICATIONS

Product size:

Weight: 1.61KG, Width: 15.4cm, Depth: 23.5cm, Height: 28.08
