

**WDA8514AT**

8kg Washing/5kg Drying Capacity Washer Dryer Combo

## Smart Solutions

Prosmart Inverter Motor

Aquawave Drum Technology™

Direct Air Technology

Wash&amp;Wear™

Anti-Allergy+

## Design

Colour:	White
Side-wall design:	S shaped
Door finish:	Metallic grey
Large door diameter:	50 cm
Large porthole diameter:	34 cm
Door opening angle:	165°
Drum construction:	Stainless steel

## Main Features

Max loading capacity for washing:	8 kg
Max loading capacity for drying:	5 kg
Spin speed:	1400 rpm

## Performance

WELS water rating for washing:	4.5 Stars
Water consumption for washing:	69 Litres per wash
Energy rating for washing:	4 Stars
Annual energy consumption for washing:	322 kWh
Energy rating for drying:	3.5 Stars
Annual energy consumption for drying:	175 kWh

Voltage:	220 – 240
Frequency:	50 Hz

## Technology

Drum technology:	AquaWave™
Out of balance detection:	Yes
Heater type:	Durable heater
Water pressure sensor:	Yes

## Control Features

Display:	Amber on black text LCD
Encoder knob:	Yes
Remaining time indicator:	Yes
Time delay:	Yes
Temperature selection:	Yes
Cold wash option:	Yes
Variable spin speed selection:	Yes
Water control system:	Automatic
Liquid detergent compartment:	Yes
Water inlet type:	Cold

## Wash Programs & Functions

Programs	16
	Cottons
	Cottons Eco
	Synthetics
	Delicates
	Woollens - Approved by Woolmark Association
	Hand Wash
	Shirts
	Rinse
	Spin + Drain
	Xpress SuperShort
	Daily Xpress
	Cotton Dry
	Synthetic Dry
	Anti AllergyWash & Dry – Approved by Allergy UK Association
	5kg Wash & Dry
	Wash & Wear
Auxiliary functions:	Prewash
	Rinse Plus
	Easy Ironing
	Memory

## Safety

Child lock option	Yes
Overflow safety	Yes
Watersafe+	Yes

## Dimensions & Weights

Unpacked height:	840 mm
Unpacked width:	600 mm
Unpacked depth:	630 mm
Unpacked weight:	89 kg
Packed height:	880 mm
Packed width:	650 mm
Packed depth:	675 mm
Packed weight:	90 kg
EAN code:	8690842055041

## 8kg Washing/ 5kg Drying Capacity Washer Dryer Combo

8kg washing capacity/  
5kg drying capacity

Prosmart Inverter Motor

4.5 Star WELS water rating

3.5 Star energy rating

1400 rpm with 16 programs

Touch control LCD Panel

Woolmark approval

Allergy UK Approval

Overflow safety, Watersafe & Child lock safety systems

Specifications are correct at time of printing. Specifications may change without prior notice.

### ProSmart Inverter Motor Technology

ProSmart Inverter Motor Technology provides increased efficiency and reliability by consuming less energy whilst prolonging the life of the machine. Uniquely patented unbalanced load detection and combination of different wash motions will deliver a superior washing experience.

### AquaWave Drum Technology™

Thanks to its new drum, paddle and door design, Aquawave™ Technology of Beko washing machines provide gentle yet effective washing conditions for all garments, making them last longer.

Inspired by nature, Aquawave™ Technology of Beko washing machines simulates the motion of waves and protects your clothes from wearing out. The interior design of the washing machine replicates the gentle and also effective power of waves.

### Direct Air Technology

Beko washer dryers with Direct Air Technology provide 3.5 star drying performance with little water consumption. Standard tumble dryers use water in order to condense the steam inside the unit. This process causes loss of heat and energy along with the use of a great deal of water in every cycle.

### Wash&Wear™

Beko Washing Machines with Auto Program automatically adjusts the water amount according to the weight of the laundry. It also selects the best program according to the amount of washing needed for the load.
