## Ai Pont

## FEATURES

### Android 9.0

Android 9.0 harnesses the power of artificial intelligence to give you extra entertainment options and a great user experience.

### Google Assistant

Your own personal Google assistant, always ready to help.

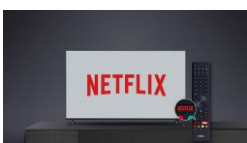

### Google Play

A global online store to find, enjoy, and share your favorite apps, games, movies, music, and books on all your favorite devices.

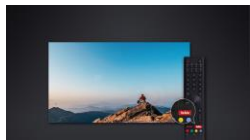

### Chromecast built-in

Cast your favorite entertainment content from your Android or iOS device.

### NETFLIX

Watch thousands of TV shows, movies, and Netflix original programming on your TV.

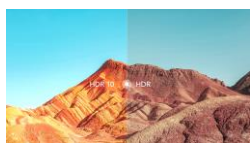

## YouTube

See what the world is watching, the hottest music videos, news and more.

## Frameless

Picture or video occupies the whole TV screen. The picture seems bigger than regular televisions.

## HDR 10

**High-dynamic-range video.** Key characteristics of HDR video are brighter whites, deeper blacks, and at least a 10-bit color depth.

## HLG

**Hybrid Log- Gamma = HLG.** This technology is designed for broadcast cable, satellite and live TV. Compared with HDR, HLG technology uses multiple routes to progress images and makes images more vivid.

## DOLBY AUDIO

Dolby Audio uses advanced processing technologies to create a dynamic audio experience.

## GPU

Mail 470 image processing has 3 cores which makes transmission faster. The result is superb images.

## ROM(8G)

The 8G of ROM stores more contents and this supports the very fluent operation.

## Bluetooth 5.0

Expand your TV with the compatible bluetooth devices.

Enjoy thousands of online streaming videos with Amazon Prime Video.

Experience the APPS with one button access function.
