 Dimensions of the flush mount cut-out (mm): 596h x 597w
 Dimensions of the proud mount cut-out (mm): 580h x 560w
 Weight (kg): 37kg

Key features	Benefits
9 rack/shelf positions	Nine rack/shelf positions inside the oven provides maximum flexibility. You can easily move the shelves to fit more food or place it in a better position for the perfect cooking result.
Multifunction	Multifunction ovens enable you to cook with a combination of heat from the top, bottom and main elements. This offers more versatility, control and better results when cooking a variety of dishes.
Programmable timer	Programmable timers have electronic screens and can do delayed cooking among other things.
