PHILIPS

sense and simplicity

Pressurised steam generator with OptimalTemp Technology and Up to 5 bar
Carry Lock ECO, 220 g steam boost Auto Off

GC8635/02

Highlights

OptimalTemp Technology

OptimalTemp Technology from the PerfectCare Pressurised steam generator always delivers one perfect setting for all your clothes thanks to the: 1) Cyclonic steam chamber 2) Advanced Smart control processor

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the temperature dial.

100% safe

100% safe on all delicate fabrics (for example silk, cashmere, wool, polyester...) guaranteed. Independent testing institutes have used PerfectCare on the most sensitive ironable garments and they have confirmed the excellence of the ironing results.

100% fast

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

Tested and approved by experts:

Tested and approved by independent textile experts institutes

Lock your iron securely

Lock your Philips steam iron securely and carry your pressurised steam generator easily.

Easy De-Calc

Easy De-Calc, hassle-free and effective scale removal to extend the life of your steam generator.

New SteamGlide soleplate

The new SteamGlide soleplate is the best Philips soleplate. Is extremely scratch resistant, glides excellently and is easy to clean.

Up to 5 bar

Double your ironing speed with pressurised steam. Pressurised steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

Safe rest

The comfortable design of the iron facilitates comfortable ironing by putting less strain on the wrist. The iron design also prevents the repetitive movements caused by placing an iron on its heel. You can rest the iron on its soleplate on the ironing board cover; it is always safe. The iron is light (1 kg) for an easy and comfortable ironing experience.
