

Cool Mist Ultrasonic Humidifier ION50

The Ionmax ION50 is the latest model from the Ionmax Health & Wellbeing range of Humidifiers. The Cool Mist Ultrasonic technology adds moisture to indoor air, increasing your room's humidity level. The ION50 humidifier helps with fighting colds, allergies, itchy eyes and irritated sinuses and throat caused by low humidity levels. It also helps prevent cracking and permanent damage to your household furniture and wooden floors due to low humidity.

The Ionmax ION50 Cool Mist Ultrasonic Humidifier will make you feel comfortable in your indoor space year round. It is designed for performance and ease of use, and is ideal for any home or office.
