

## the Quick & Easy™ Pie Maker

### Product Blurp:

the Quick & Easy™ Pie Maker allows you to make 8 individual pies instead of one large pie, because different palates like different pie fillings. Take control of your pie maker with a countdown timer and 'A bit more™' Button to get it just right.

Turn leftovers or any pre-cooked filling into tasty pies in as little as 10 minutes.

The seal & snap cooking plates seal each individual pie and cuts the edge to snap them apart when cooked
