**Model Code:** BIC63

**Description:** 60cm, 3 zone induction, no frame

**Warranty:** BLANCOCare™ 2 years parts & labour

Features	Benefits
<b>12 stage temperature control (including boost)</b>	Range of heat settings allows you to select the ideal cooking temperature for all types of foods – for great cooking results.
<b>Heat Boost</b>	Convenient feature whereby the cooking zone selected 'boosts' to the maximum power level.
<b>Overflow cut off</b>	The Cooktop detects when a pan is boiling over and shuts off automatically.
<b>Residual heat light for each zone</b>	Allows you to see when the Cooktop surface is still hot after operation.
<b>Locking function</b>	Cooktop can be 'locked' to block access to the cooktop. A safety feature to help prevent children from accessing cooktop functions.
<b>Small utensil detection</b>	This intelligent safety feature stops your Cooktop from switching on when metal utensils are placed on it.
<b>Timer function</b>	A convenient and easy way to program the cooking time on any cooking zone.
