

Bringing the worlds best chillers to Australia

MODEL: ENV3H-SS

QUICK INFO

The Rhino Envoy alfresco fridge range are the most energy efficient on our market, units have 316 marine grade stainless steel, Japanese inverter ECO compressor, quiet inner fans, energy saving German rear fans and German Danfoss ECO controller and heated glass, just to mention a few features. Units will perform in the hottest and most harsh climates, perfect for us in ambient temperatures 43°C plus.

At 575mm deep you fit an extra row of drinks than all other alfresco units on market, the shelving height adjustments are small making any size bottle easy to fit without losing valuable froffy space. Blue/White switchable LED is a great feature and the strong locks with special tight spaced 'no tamper' 'shove lock' to finish off the perfect alfresco fridge.
