BIC64 – 60cm, 4 zone Induction Cooktop

Model Code: BIC64

Description: 60cm, 4 zone induction, no frame

Warranty: BLANCOCare™ 2 years parts & labour

Features	Benefits
12 stage temperature control (including boost)	Range of heat settings allows you to select the ideal cooking temperature for all types of foods – for great cooking results.
Heat Boost	Convenient feature whereby the cooking zone selected 'boosts' to the maximum power level.
Overflow cut off	The Cooktop detects when a pan is boiling over and shuts off automatically.
Residual heat light for each zone	Allows you to see when the Cooktop surface is still hot after operation.
Locking function	Cooktop can be 'locked' to block access to the cooktop. A safety feature to help prevent children from accessing cooktop functions.
Small utensil detection	This intelligent safety feature stops your Cooktop from switching on when metal utensils are placed on it.
Timer function	A convenient and easy way to program the cooking time on any cooking zone.
