

CC4525S

Width: 520 mm
Capacity (m³/h): 680 m³/h

Colour

Housing: Varnished metal sheet
Stainless steel

Features

4 venting speeds
Aluminium
Control setting: Button control
LED illumination: 2 × 0 W
No return airflow flap: 150 mm

Features

Grease filter indicator
Timer function

EAN code: 3838942065521
code: 511981

Basic informations

Electronic control
Capacity (m³/h): 680 m³/h
4 venting speeds
Number of filters: 2
Control setting: Button control

Dimensions and installation

Height of product without chimney: 33 cm
Dimensions of the product (W×H×D): 52 × 33 × 30 cm
Length electrical cord: 1,2 m
Weight gross: 10 kg

Technical information

Connection rating: 277 W
Voltage: 220-240 V
Motor location: In rangehood
Number of lights: 2
Power of lights: 1 W
