

Bruz • RF6012FLEX

60cm 2 in 1 Induction Flex Zone Cooktop with Integrated Ventilation System

Signature Features

2 in 1 Cooktop & Air Extraction System

- Features its own powerful integrated air extraction system of up to 700m3/h enhanced by a 3-speed fan mode, which means optimal space saving, sleek design and full freedom while cooking

Dual Flex Zone

- Greater flexibility across the cooktop by combining 2 cooking zones to create a larger cooking space

Booster Function

- 4 independently powerful cooking zones with a boost function: extra power for faster heating

9 Power Levels

- 9 adjustable power levels for faster heating so that you can masterchef at ease

Pre-Set Temperature & Pre-Set Timer

- Heating automatically stops when the cooking time is up

Intuitive Touch Control

- Easy to understand and easy to operate, so you can easily adjust the temperature and access all the important functions at your fingertips

Space Saving & Easy Installation

- Installation requires minimal ducting, allowing you to utilize the cabinets directly underneath the cooktop
