EZKleen Stainless Steel

Dimensions

Depth	688mm
Height	1790mm
Width	905mm

Features & Benefits

Variable Temperature Zone

At the touch of a button, easily convert this compartment to suit both everyday needs and special occasions as well as different food types. Choose from Freezer, Soft Freeze, Chill and Fridge modes.

ActiveSmart™ Foodcare

ActiveSmart™ Foodcare learns how you live. It is technology which understands how you use your refrigerator and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.

Thoughtful design

Perfectly flat doors for a less intrusive fit in the kitchen, spill-proof glass shelving and beautiful lighting for great visibility inside.

Easy one-touch control panel

Situated conveniently, the control panel for the refrigerator, freezer and Variable Temperature Zone compartments allows you to view and modify the features and options to suit any occasion.

Flexible storage and access

Large compartments, adjustable internal storage and shelving are designed for your constantly changing needs.

Brilliant interior lighting

Bright LEDs light up each ceiling, shelf, bin and tray in both refrigerator and freezer, making it easy to find your food and create a welcoming glow in your kitchen.

Design quality

Our refrigerators are designed and built using quality materials. We use real stainless steel and solid glass for the interior shelving.
