## ARTISAN® 9 Speed HAND MIXER

**HIGH PERFORMANCE DC MOTOR** Quiet, reliable and energy efficient.

**9 SPEEDS** Ranging from a slow stir to a fast whip, recipe ideas are endless.

**TWO STAINLESS STEEL TURBO BEATER™ II**

**ACCESSORIES** Mix heavy, dense ingredients with ease and easily power through thick cookie batters. Dishwasher safe.

**STAINLESS STEEL 16-TINE PRO WHISK** Makes quick work of whipping cream, egg whites or making mousse.

**TWO STAINLESS STEEL DOUGH HOOKS** Effortlessly knead yeast dough more efficiently than hand kneading.

**LIQUID BLENDING ROD** Blends smoothies, milkshakes and much more.

**SOFT START™ ELECTRONIC CONTROL** Prevents ingredients from splattering.

**ELECTRONIC MIXING SENSOR** From thick pizza dough to fluffy egg whites, the electronic mixing sensor will adjust to the resistance of what you are mixing for smooth, consistent operation.

**DIGITAL DISPLAY** Shows mixing speed at a glance.

**CLEAN TOUCH™ CONTROL PAD** Gives you fingertip control of hand mixer speeds.

**LOCKABLE SWIVEL CORD** Makes right or left handed use easy, mixing comfortable at any angle.

**NON-TIP HEEL REST** Provides stability when the hand mixer is not in use.

**SOFT GRIP HANDLE** Offers a comfortable, non-slip surface.

**ACCESSORY EJECTOR BUTTON**  
Releases accessories easily with one push.
