

 KYOTO City Collection 1.7L Jug Kettle Orange	
Product Name	KYOTO City Collection 1.7L Jug Kettle Orange
Model Number	KEM8007NG
Short Description	Tradition, ceremony, culture and history meet modern, minimalistic simplicity in The Kyoto Breakfast Collection, the latest in Sunbeam's city-inspired range. Japan's cultural capital Kyoto is a place rich in beauty, heritage and tradition. It's also at the forefront of ingenuity and design. Like its namesake, this beautiful collection is the perfect synergy of history and technology, form and function.
Long Description	The Kyoto Breakfast Collection kettle and toaster are the perfect embodiment of the minimalist yet inviting design style synonymous with Japan's historic cultural capital. Exuding a 'Scandinese' feel, the range borrows the best elements of both the Scandinavian and Japanese aesthetic, distilling them into two beautiful, minimal, perfectly designed breakfast appliances. Matte colours have been carefully curated to mirror the textiles, temples and tastes of Japan's historic capital, transporting you instantly to this magical Japanese city.

Key Feature 1	Japanese Inspired Design
	Referencing the simple yet exquisite teapots used in traditional tea ceremonies, the Kyoto City Jug Kettle combines minimalist Japanese design with precision technology.
Key Feature 2	Gentle glow illumination
	Subtly lit from below, the premium illumination is reminiscent of the delicate floating lanterns shining throughout the Old City.
Key Feature 3	1.7L Capacity
	Enough for a tea ceremony, one boil makes 7 standard cups.
Key Feature 4	Easy fill push button lid
	Easily and elegantly fill your kettle using the centrally-located push button on the lid.
