

S75Q

380W 3.1.2ch Dolby Atmos Sound Bar

Perfect match with LG 2022 TV

Great together. Connect your LG Sound Bar and TV for an immersive experience. With the LG TV Remote, convenience is turned up a notch. Switch your Sound Bar on, control volume and sound modes* with the same remote you use for your LG TV**

* Sound Bar Mode Control may vary by Sound Bar models. LG TV Remote usage is limited to certain features only.

** LG TV Remote not supplied with sound bar, it is included with selected LG TVs or may require separate purchase.

Elevated sound with AI Processor

With TV Sound Mode Share, the Sound Bar uses your LG TV's AI Processor* to analyse the content you love and deliver clear, accurate sound. From watching the news to playing games, your LG Sound Bar helps you make the most of your LG TV experience.

* TV Sound Mode Share compatible with 2021 and 2022 TVs.

Dolby Atmos

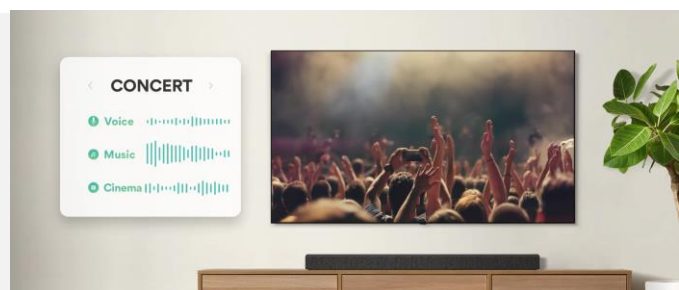

Get wrapped up in sound. Dolby Atmos® and DTS:X® audio on games, movies and music lets you hear effects from front and above. Feel immersed in entertainment, with virtual surround sound.

* Dolby Atmos® enabled TV / Player and compatible source content required.

Sound Engineered for what you enjoy

With AI Sound Pro, LG Sound Bar's intelligent algorithm analyses your content to help deliver enhanced performance. Enjoy great sound, whether you're watching movies, catching up on the news, or listening to music*.

* Effect may vary depending on source content.
