

## BHHV520BFP-XE

- 18V Lithium-Ion Pet Dustbuster is ideal for general cleaning tasks around the home and perfect for pet owners
- Boost mode allows the suction power to be increased for thorough debris pick-up
- Translucent, bagless dirt bowl with washable pre-filter makes it easy to see the dirt and empty
- Smart Tech LED panel shows if the filter requires cleaning and the state of battery charge
- Cyclonic action spins dust and debris away from the filter so suction power remains strong

### Includes:

- Onboard Crevice Tool
- Turbo Pet Head
- Charging Base
