

SIM1964D LINEA 90CM INDUCTION COOKTOP AV 2.0

TOUCH CONTROLS

For precise cooking control, each zone is operated by an ergonomic slide control where you can choose to touch directly or finger swipe up and down the 1 to 9 power levels with no 'tapping' required.

MULTIZONE COOKING

MultiZone allow users to join two cooking zones and operate them by a single control. Every part of the zone to the edge is usable, without any cold spots. They make cooking with larger pots and pans effortless.

ECO LOGIC

Save energy without compromising cooking results with the Eco Logic Advance limitation system, enabling a minimum power draw of 2.4kW.

AUTO VENT 2.0

Through Bluetooth technology, when using your cooktop the rangehood automatically adjusts based on the power level selected on the cooktop. You will always have the Optimal extraction level, leaving your kitchen without condensation and odours.
