PHILIPS
sense and simplicity

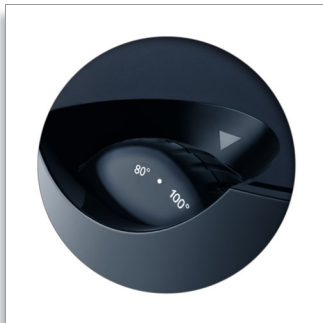

Highlights

Patented Rapid Air technology

Airfryer's patented Rapid Air technology enables you to fry the tastiest crispy fries that contain up to 80% less fat than a conventional fryer! Its unique combination of fast circulating hot air and a grill element allows you to fry a variety of delicious fried food, snacks, chicken, meat and more in a fast and easy way. Since you only fry with air it provides less smell and vapours than traditional frying, is easy to clean and safe and economical for daily use!

Adjustable temperature control

It's fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 200 degrees. Enjoy crispy golden-brown fries, snacks, chicken, meat and more, all prepared at the right temperature for the best result!

Timer

It's integrated timer allows you to pre-set cooking times of up to 30 minutes. The auto-off function includes a "ready" sound indicator.

Recipe booklet

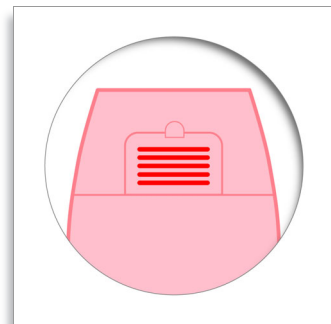

The airfryer comes with an inspiring recipe booklet, written by a culinary expert, that contains 30 delicious easy-to-prepare recipes and is packed with tips and tricks. Treat you and your family with home made chicken nuggets, fish cakes, tapas, quiche and lots more. With the airfryer you can turn delicious food into a healthy feast!

Food separator accessory

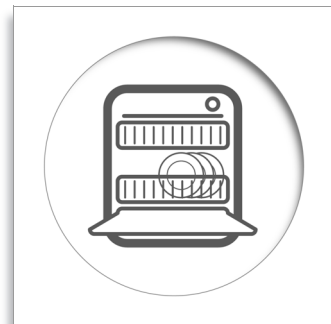

If you're cooking an entire meal, airfryer's separator accessory is a handy way to fry multiple dishes at the same time and prevents the flavours of different foods mixing with each other.

Integrated air filter

The integrated air filter prevents unwanted cooking smells and vapours and keeps your kitchen fresh and clean.

Dishwasher-safe parts

Removable drawer and food basket feature a non-stick coating and are dishwasher safe for easy cleaning.
