### Inverter Linear Compressor

**Inverter Linear Compressor** offers greater control of temperature, with less vibration and less noise than a conventional compressor system.

**10 Year Parts Warranty** - as this is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor.

\* 2 Years parts and labour + 3 years on sealed refrigeration system (compressor, evaporator, dryer and tubing) parts only + 5 years on compressor (part only)

### No Plumbing Required

**LG's Non Plumbing Ice & Water Dispenser** - Now you can enjoy the convenience of having an ice & water dispenser on the door without the need to have the refrigerator connected to your water supply. Inside the refrigerator door is a water canister which can be removed for easy filling.

### Moisture Balance Crisper

**LG's Moisture Balance Crisper** maintains the moisture balance in the crisper. The lid of the crisper has a lattice structure that retains evaporated moisture from fruit and vegetables, to help keep them fresher for longer.
