Product Features and Benefits

Radiant/Convection Heating	The radiant panel heat objects in the room, including people, and the convection fan blows warm air to every corner of the room.
Powerful Heating	With 15MJ of power the Lancer can heat up to 52m ² , suitable for small living areas.
Safety Tip Over Switch	The heater will automatically shut off if it tips over for any reason, give you peace of mind.
Oxygen Depletion Sensor	The heater monitors the level of oxygen in the room and if the level becomes low, the heater will automatically shut off so the oxygen level can restore itself.
Flame Failure Shut Off	If the flame goes out, the gas will shut itself off, so there are no dangerous gas leaks
Operation In A Black Out	The radiant panels can be manually lit, so during a blackout you are still able to use the heater.
Easy Cleaning	The front grill is removable, so you are easily able to open the heater and wipe or vacuum dust that accumulates inside.
Push Button Control	Push buttons on the top of the heater are easily accessible and make controlling the heater a breeze.
Warranty	3 year warranty for peace of mind.
