BENEFITS

Superior cleaning on hard floors

Perfect for hard floors, our PowerPro fluffy nozzle picks up fine dust through crevices, as well as larger particles. With the plush edges, its gentle on the floors, whilst the combination of materials can have a lovely polishing effect on floors too.

Low noise, no fuss

More white noise than roar, the handheld unit offers high performance at a lower volume than traditional vacuums. Featuring a smooth airflow design and muted exhaust, you can use it any time of the day or night, without disturbing your household.

Get a grip. Then keep it.

You'll hand it to this comfortable ergonomic grip. The intuitive design safely positions your hands and wrists so they won't fatigue, plus, the one-touch on-switch means no constant holding required.

Stand by me

You can park the PQ91 anywhere, thanks to its self-standing sleek design, which makes it easy to use, control, pause mid-clean and store away.

Nothing untouched

Now you really can keep every inch of your house squeaky clean. The ultra-responsive full-tilt design matched with the slim frame, makes for easy cleaning of traditionally hard-to-get places like stairs, corners and under furniture as low as 140mm.

Superior run-time

Whether a weekly sweep, or an intense deep clean, you can rely on the 53 minute run-time*. With the powerful 25.2V battery, three power settings and intuitive memory function, your household chores will be over, quicker.*Run time based on low power setting.

Start to finish high performance

Never lose suction again. The supercharged cyclonic system that separates dirt from air, guarantees a consistent clean from start to finish even as the dustbin fills up.

Glide and go

Manage unexpected messes on multiple surfaces with this reliable charging design. For a hassle-free clean every time, just grab from the easy glide magnetic cordless charge station and go.
