Dimensions of the flush mount cut-out (mm):	598h x 598w
Dimensions of the proud mount cut-out (mm):	580h x 580w

Key features	Benefits
90 Litre oven capacity	With an 80mm deep baking dish and 90L capacity, you can maximise the usage of your oven to accommodate more food.
Digital Timer	Pre-set what you are cooking so you can have it finished after a time period that you have indicated. Great for those who like to set and forget, knowing what you are cooking won't get burnt.
Multifunction	Multifunction ovens enable you to cook with a combination of heat from the top and bottom elements. This offers more versatility, control and better results when cooking a variety of dishes.

NB: Drawings are not to scale - they are to assist only. WARNING: technical specifications and product sizes can be varied by the manufacturer without notice. Cut-outs for appliances should only be by physical product measurements. The above information is indicative only.
