9. 11 Year Parts Warranty on the Digital Inverter Motor
10. Large 9.5Kg Capacity

### Limited space key features / benefits.

Add items during wash<sup>1</sup> without draining the drum. Add items for rinse cycle only. Air drum between washes without leaving the main door open.

Q-rator smart laundry assistant app helps you select the optimal wash cycle for each load and allows you to start, stop and monitor your wash remotely.<sup>2</sup>

Steam Cycles remove various allergens and up to 99.9% of certain common bacteria.<sup>3</sup>

Power through 5Kg of laundry in just 59 mins with the Super Speed cycle.<sup>4</sup>

#### DISCLAIMERS

1. Add Door can be opened at anytime if drum water temperature is below 50c and has stopped spinning.
2. Compatible device and internet required.
3. Based on third party testing conducted on selected bacteria (S aureus, E coli) and allergens, 2018.
4. Based on Super Speed at default settings with a 5kg load

## Detailed key features / benefits.

**ADDWASH****Simply add items during wash**

The AddWash™ door lets you simply and quickly add forgotten clothing or fabric softener after your wash cycle has started. You can also easily pop in hand-washed clothes that you just want to rinse or spin dry. And air the drum between washes.<sup>1</sup>

**Q-RATOR****Smart laundry assistant**

This app acts as your personal laundry expert and recommends the optimal wash cycle for each load. You can also manage laundry finishing times, get alerted when complete and trouble shoot from your smartphone.<sup>2</sup>

**STEAM CYCLES****Steam away various germs and allergens**

Get added piece of mind with our new Steam Cycles which can remove various allergens and up to 99.9% of certain common bacteria.<sup>3</sup>

**SUPER SPEED****Powerful cleaning in 59 mins**

Power through a 5Kg load under an hour<sup>4</sup> with Samsung's Super Speed technology. Powerful speed spray jets activate during the rinse to help ensure full coverage and a deep rinse.

**QUICK WASH****Small loads in 15 minutes.**

No time to waste? The 15min Quick Wash<sup>5</sup> cycle allows you to wash up to 2Kg of laundry when you are in a hurry.

**BUBBLE WASH****Hard on dirt, soft on clothes**

Bubble Wash™ is designed to help generate foam by pre-mixing detergent with air and water from the beginning of the cycle. And BubbleSoak™ is an optional pre wash treatment which thoroughly soaks clothes in the bubbles before the wash starts.

**DRUM CLEAN+****Keep the tub fresh**

Cleans inside your washer to help eliminate odour-causing bacteria without using harsh chemicals. The force of a powerful water jet and fast spinning also helps remove dirt from the rubber door gasket. It even notifies you when it needs cleaning.

**11 YEAR PARTS WARRANTY on the Digital Inverter Motor<sup>6</sup>**

Low fuss for a long time - digital inverter motor with an 11 year parts warranty. The motor works without brushes, which helps to reduce the number of separate moving parts and friction, making for a low vibration motor with a quiet wash cycle.<sup>6</sup>

## DISCLAIMERS

1. Add Door can be opened at anytime if drum water temperature is below 50c and has stopped spinning.
2. Compatible device and internet required.
3. Based on third party testing conducted on selected bacteria (S aureus, E coli) and allergens, 2018.
4. Based on Super Speed at default settings with a 5kg load
5. The Quick Wash Cycle time can be adjusted for loads 2kg or less, with as little as 15mins for a complete wash cycle for lightly soiled laundry.
6. See warranty card or <http://www.samsung.com/au/support/warranty/> for more information.

**SPECIFICATIONS**

Model Code	WW95N64FRPW
Material Code	WW95N64FRPW/SA
EAN Code	8801643520946
RRP	\$1499
Launch Date	October 2018

**FORMAT**

Type	AddWash™
Washing Capacity (kg)	9.5Kg
Motor	Digital Inverter Motor

**DESIGN**

Body Colour	White
Door Colour	Crystal Gloss Door
Control Panel	LED

**PERFORMANCE**

Annual Energy Consumption	Cold Wash, 218kWh / Warm Wash, 374 kWh
Energy Rating (stars)	4.0
Water Consumption (per wash)	92 litre
Water Efficiency (WELS) Rating	4
Spin Speed (RPM)	1400 rpm
