

CROSSWAVE® OMNIFIND™ | 4007F

POWERFULLY FIND A CAPTURE PET HAIR AND MESSSES

CrossWave® OmniFind™ multi-surface cleaner combines cleaning tasks so you can vacuum and mop at the same time. Enjoy up to 25 minutes¹ of cordless cleaning power, so you can clean your home without the stress of being tied to an outlet. FurFinder™ headlights allow you to easily find pet hair, dirt, and messes where they hide, while Tangle-Free Technology reduces pesky pet hair wrap and clogging. CrossWave® OmniFind™ effectively cleans hard surfaces and refreshes area rugs with the help of Two Tank Technology, which keeps clean and dirty water separate so you're always cleaning with fresh water and solution. With the touch of a button, the self-cleaning cycle cleans the brush roll and inside of the machine.

- Vacuum & Wash Simultaneously. Tackle wet and dry messes at the same time.
- Tangle-Free Technology. Minimise annoying hair wrap and clogging.
- FurFinder™ Headlights. Engineered to illuminate hidden pet hair and messes with patented high and low beams.
- Cordless Convenience. Corded Performance. Get up to 25 minutes of runtime¹ and enjoy the powerful performance you expect from a corded device.
- Self-Cleaning Cycle. With the single push of a button, the machine refreshes the brush roll, flushes dirty debris, and maintains peak performance.
- Multi-Surface Clean. Tackle messes on all types of sealed hard floors and freshen area rugs.
