Features

Benefits

Smooth one piece design

The smooth one piece hob design makes cleaning the cooktop so much easier, saving time and effort. Simply wipe over with a damp cloth.

5 Burner Cooktop, including Wok burner and BBQ burner

Conveniently placed WOK burner and Fish/BBQ burner to cater for various cooking needs

High Performance 15Mj Wok Burner

High quality burners provide even heat distribution for great cooking results, whilst the 15Mj Wok burner offers powerful cooking for dishes such as stir-frying.

Flame Failure

Gas will shut off when there is no continuous flame.

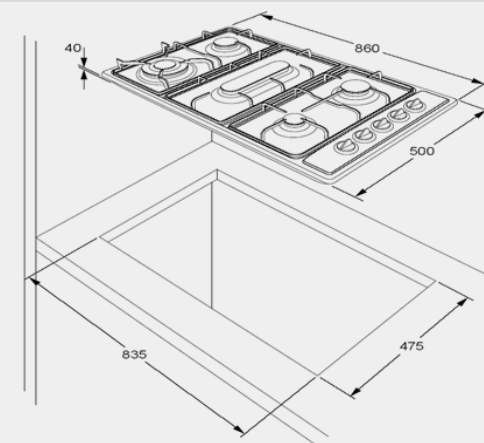

Automatic Ignition

Ease of operation, no need for manual ignition, simply twist the knob and the gas connection ignites.

Available in Natural Gas or LPG

The cooktop is supplied adjusted for natural gas installation, however can be converted for U-LPG application (conversion kit supplied).
