FEATURES & BENEFITS

- Achieve the invisible**
This stylish rangehood fits seamlessly into your kitchen cabinetry, providing ventilation that is as discreet as it is powerful.
- Effective extraction**
Featuring three fan speeds, plus a boost function, this rangehood provides powerful extraction to quickly remove odours and steam. Odours can linger in the kitchen well after cooking is finished so the timer keeps the hood working for up to 15 minutes before automatically turning off.

- Easy cleaning**
Designed for simple removal, the filters are easy to clean and dishwasher safe, while the glass and stainless steel finish is easily wiped clean. The SmartHQ™ app will notify you when to clean the filter to ensure you get the best performance out of your rangehood.
- Quality materials**
This rangehood comes in a sleek black glass finish with a real stainless steel frame.
- Full surface lighting**
Low energy, dimmable LED lights provide superb illumination of the entire cooking surface.
