### Dimensions

Depth	578mm
Height	825mm
Width	600mm

### Features & Benefits

**Auto-sensing technology**  
Auto-sensing prevents over-drying by sensing moisture levels inside the drum and shutting off automatically. This helps clothes last for longer and reduces energy consumption.

**Cares for clothes**  
This dryer has a cycle to suit every type of load including Delicate, Bulky and Sports. Select a cycle with the easy to use SmartTouch™ control dial.

**Simple installation**  
Vent out either the front or the back of this dryer. A wall mounting kit is included and the control panel can be inverted easily.

**Drying rack**  
This model comes with a drying rack, perfect for those items that are too precious to tumble.

**Reverse tumbling**  
Reverse tumbling alternates direction to help garments move freely so they dry quicker and more evenly.

**Easy loading**  
The robust dryer door features die cast metal hinges that open to a full 180° for easy access and loading.
