RRP AUS \$719.00

Product Details

FEATURES

Auto water level sensing	Time save option	Pause and add button	High spin, less dry time
Easy iron wash option	Tub clean program	Rinse+ option for extra rinsing	Delay end option to plan when your wash finishes
Liquid or powder detergent drawer			

BENEFITS

Ezi Load XXL drum opening The extra-large drum opening makes loading and unloading your washing so effortless and easy. Perfect for big loads or those bulky items like blankets and curtains, you'll have things in or out in no time.	Easy control of every wash Enjoy great results at the touch of a button. With everything you need at your fingertips, the full-touch controls are easy to use and help you get your washing done faster. Simply work your way from left to right, set your wash and go. Plus, a quick wipe is all you need to keep things clean.
Save time with Fast Wash Sometimes you just need to get a few things clean fast. And that's where Fast Wash comes in. Designed to wash a daily 3kg load of lightly soiled clothes, this super-quick wash takes just 30 minutes. Perfect for quick loads during the week or when you've got to do multiple washes, Fast Wash is sure to become your favourite program.	High spin, less dry time Experience maximum efficiency with a higher spin speed that expertly extracts more moisture from your clothes. This means a shorter drying time. You can also adjust the spin speed if preferred.
Timed to suit you Keep your clothes fresh and say goodbye to wet and wrinkled washing sitting in your machine. Now you can plan ahead and get your wash to finish when it's convenient for you. Simply set the time you need your wash done and your clothes will be ready when you are.
