

SR600X

smeg side-by-side refrigerator/freezer

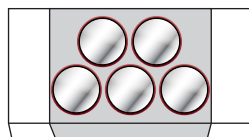

PERFECT NO FROST

No need to 'scrape' ice from the freezer

TURBO-X COOLING

Cool 1.3 times faster due to the new, powerful turbo cooling system.

XPRESS CAN CHILLER

Your favourite canned beverages will be chilled faster and maintained at a constant low temperature

MULTI PLUS ZONE

This zone is conveniently located high on the right-hand door, with a handy clear plastic door — perfect for special sauces, or even cosmetics or medicines.

TRANSPARENT FREEZER DRAWER

Two transparent freezer drawers keep the chilled air inside the refrigerator while the door is open — contents can be viewed at a glance.
